Attachment: Accompanying Statement of Operating Procedures

Per the FCC CPNI rules [C.F.R. § 64.2009(e)] and as referenced in the attached signed certification, Ligonier Telephone Company, Inc., herein referenced as the Company, hereby certifies that the Company is in compliance with the FCC CPNI rules and has outlined some of the important operating procedures below that have been adopted and are followed by the Company in order to ensure the Company's compliance in the protection of CPNI:

1. CPNI manual has been update in order to account for all FCC CPNI rules and has been adopted by our Companies' board.
2. CPNI Compliance officer has been designated to oversee all CPNI duties, training, and activity.
3. CPNI was not utilized for marketing purposes, however if the Company should decide to utilize CPNI marketing in the future, the following is in place and will be utilized:
 - a. Established an outbound marketing supervisory review process for the use of CPNI; and
 - b. Records will be maintained for any marketing campaigns that utilize customers' CPNI for a minimum of one year.
4. Opt-out method for approval of CPNI use for marketing campaigns is in place, in case CPNI marketing is utilized in the future:
 - a. Customers are notified bi-annually of their rights for the use of their CPNI in marketing campaigns;
 - b. New customers are notified of the opt-out procedures as a part of the customer sign-up process;
 - c. Billing system clearly displays customer's opting status; and
 - d. Compliance officer retains CPNI notifications and opting records for at least two years.
5. Employees have been trained on when they are, and are not, authorized to use or disclose CPNI.
 - a. A Disciplinary process has been defined and is in place for violations and/or breaches of CPNI.
6. Carrier authentication requirements have been met.
 - a. All customers during a customer-initiated telephone care authenticated as being an authorized account contact before discussing CPNI (non-call detail or call detail) without utilizing readily available biographical or account information as defined by the FCC.
 - b. Call detail is only released to customers during customer-initiated telephone contact using the following FCC approved methods which are permitted for the release of the requested call detail:

- i. Sending the requested detail to the address of record (only a physical or email address associated with that particular account that has been in our company files for at least 30 days);
 - ii. Calling the customer back at the telephone of record (only disclosing if the customer was authenticated as being an authorized account contact); and
 - iii. Having customer come in to the Company's office and provide a valid government issued photo ID.
- 7. We provide immediate notice to customer of particular account changes.
- 8. Notice of unauthorized disclosure of CPNI, a notification process is in place in order to notify both law enforcement and customer(s) in the event of a CPNI breach within the timeline specified by the FCC.
- 9. Additional protection measures are taken above and beyond the current FCC CPNI rules.
 - a. The Company takes reasonable measures to discover and protect against activity that is indicative of pretexting.
 - b. The Company maintains security of all CPNI, including but not limited to:
 - i. Documents containing CPNI are shredded; and
 - ii. Computer terminals are locked when employee is not at their station.
